

## Spring Symposium 2008

### Advanced Treatment of Melanoma Follow-Up Guidelines by Disease Stage

*An evening of education, discussion & connection for patients, survivors, families & friends*

**Wednesday, May 14, 6:30-9pm**

Dana Farber Cancer Institute  
Jimmy Fund Auditorium  
35 Binney Street, Boston, MA

#### **SPEAKERS:**

Don Lawrence, MD, Clinical Director, Center of Melanoma, Massachusetts General Hospital  
Philip Friedlander, MD, PhD, Oncologist, Melanoma Program, Dana Farber Cancer Institute

#### **RSVP:**

Melanoma Foundation of New England at (978)371-5613 or [info@mfne.org](mailto:info@mfne.org)

#### **SERVICES:**

Free Admission, Refreshments, Free Parking (in the Smith Building at 1 Jimmy Fund Way)

## **NEW THIS YEAR: TEEN FORUM**

If you are a **teenager** with a parent with melanoma, then we're looking for your input! Be a part of our focus group discussing how to best support teens affected by melanoma. It'll be a great opportunity to **meet other teens**, plus we'll have **pizza** and **fun raffle prizes!!** Just RSVP with your parent for the symposium & meet us in the lobby of the Jimmy Fund Auditorium.
